AND CEMETERIES REPORT FOR YEAR 1967*

All sales of Cemetery plots are now made on the following basis which includes perpetual care:

20' x 23' plots	100.00 plus 300.00 for P.C. = 400.00
10' x 20' plots	50.00 plus 150.00 for P.C. = 200.00
10' x 10' plots	35.00 plus 90.00 for P.C. = 125.00
4' x 10' plots	15.00 plus 35.00 for P.C. = 50.00

In the Pine Grove Cemetery we replaced the old wooden fence posts as they were all rotted. We hope to continue this fence in 1968 to enclose the entire back and sides of the cemetery. A lot of tree stumps will have to be removed and quite some grading will be needed.

In the Mill Stream Cemetery we have completed all of the major improvements that we had planned. This year we paved the road which necessitated regrading some of the adjoining grass which was then seeded and the new grass was well started before the frost came.

During the year we sold seven 10' x 20' plots, four 10' x 10' plots, one 4' x 10' single graves in the Kingston Plains Cemetery and two previously sold plots were put in perpetual care.

KINGSTON TOWN REPORT  
*NICHOLS MEMORIAL LIBRARY*  
*ANNUAL REPORT FOR 1967*

---

As the town grows we continue to have more and more new borrowers in both adult and juvenile departments. Reference work is on the upward trend.

Crowded conditions continue to be the paramount problem. The lowest shelves in the stacks have to be used for books and they are not easily accessible.

A total of 1,644 books were borrowed from the Book-mobile to supplement our collection. One hundred fourteen books were borrowed by special request from the State Library.

A grant of \$100 was received from the State of New Hampshire for the purchase of reference books.

Income from the Pine Tree Grange Trust Fund was used to purchase American Heritage History of Colonial Antiques and American Heritage History of the Thirteen Colonies.

Several Classes from Bakie School and Holiday Kindergarten, accompanied by their teachers, visited the library. These visits are worthwhile, for the pupils become acquainted at an early age with the benefits and facilities of the library.

Mrs. Gertrude Semple, assistant librarian, attended several of the meetings of the Southeast District Advisory Council during the year. Book buying meetings of this district were attended by both the librarian and assistant librarian.

Words are inadequate in praise of the good work done by the Friends of the Library. During National Library Week they sponsored a program on "Contemporary Art" with George Mellor of Phillips Exeter Academy as the speaker. This was combined with a week long ex-

hibit of work by local artists. They sponsored a series of Children's events, including movies. Two very successful "Book Fairs" were held during the year. A silver tea at which Mrs. Jane Langton, author of mysteries and children's books was the speaker, was enjoyed by all who attended.

The Kingston Garden Club filled the urns again this year and members of the club have furnished plants and fresh flowers all year.

Several books have been presented and we are grateful to the following: Mrs. Joseph Bassett, Mrs. David Beisel, Mrs. Benjamin Belonga, Herbert Blaisdell, Mrs. John Brown, Robert Caton, Miss Nancy Cheney, Mrs. Jean P. DuBois, Mrs. Halton Erne, Mrs. George Jones, Matthew B. Hayes, Miss Roselyn Kenny, Mrs. Charles Morse, Mrs. Patricia Moore, Mrs. Richard Reid, Leonard Sanborn, Mrs. Norman Stratton and Mrs. Horace Willson.

Respectfully submitted,

*POLICE DEPARTMENT REPORT FOR 1967*

---

In 1967 the Police Department was increased from 16 to 19 members, due to a greater demand for our services.

Eleven members of the Department were graduated from the Rockingham County Police Training Academy at Talbot Gymnasium, Exeter, New Hampshire on Sunday, January 22, 1968. This school started on May 16, 1967 and included 80 hours of intensive police training. We are most grateful to the Rockingham County Sheriff's Department for making this opportunity available to the police officers of Kingston.

The police blue phone system was installed in Sept. and has proved very beneficial in providing faster service. Blue phones are at the following locations: Earl S. Carter, Gerald Carson, Andrew Christie, Walter S. Clark & Sons, Earl Marcotte, Neil Parker and Cyrus Spinella. Calling number is 642-3636.

The Kingston Police Department covered 57 automobile accidents and assisted in a triple fatal. We worked a total of 2,262 hours and traveled 15,365 miles in performing the following services:

KINGSTON TCWN REPORT  
*ANNUAL REPORT OF THE FIRE DEPARTMENT*

---

The Fire Department responded to a total of 127 calls from January 1, 1967 to December 31, 1967. Thirty four calls were for fires and 93 were for the rescue wagon. Of these fire calls, three were to give assistance to other Fire Departments. Two were false alarms.

The annual fire school in Fitzwilliam was attended by nine members from our department. Several courses were taken so that we who did not go could benefit from their reports.

During the year, much has been accomplished. Numerous meetings were held to determine what we would build for a station in South Kingston, what kind of fire truck would be best suited for us, and plans studied for the addition to the Central Station.

The South Kingston station was the first project started and is now completed. The bid was given to John Palmer & Son, Plaistow, N.H.

After several weeks of looking over fire trucks both here and at other departments, the new truck bid was awarded to Ward-LaFrance Co., and is now in the process of being built. We expect it to be delivered in March. With the arrival of the new truck, it will give us five pieces of equipment plus the rescue wagon. Two of these will be stationed in South Kingston and the rest at the Central station.

The bid for the addition to the Central station was awarded to John Palmer & Son. Work has already started and should be completed by late spring. With this addition and the South Kingston station, we can assure you that it will be many years before we will be in need of any more construction.

## KINGSTON TOWN REPORT

Our fund raising committee from the association and auxiliary is still working to raise money. A successful New Year's party was their last project. The annual carnival was again a benefit to us.

Permits for installation of oil burners must be obtained from the Fire Chief. Permits for outside fires from the Fire Wardens.

To reach the Fire Department for fires and emergencies, the Red Network Phone is 642-5512. Please note that this number is for emergency use ONLY.

For information or to contact anyone at the fire station, the number is 642-3626.

We wish to thank one and all who have contributed either through donations or help this past year.

Respectfully submitted,

Fire Chief
